Netflix Film crew: Documentary shoot - Base of operations

“We had so many positive experiences at Altamount Manor. Just to name a few... Breakfast was delicious and always on time, Coffee / tea was offered whenever we were home. They offered bar snacks to those relaxing & working in the bar. Nicholas + Cynthia were very helpful with recommendations for restaurants and things to do nearby. The laundry service was very efficient. They even cleaned our muddy boats after a day in the field. They set up an in house massage for one of our crew. The packed lunches were delicious and always ready to go on time. The outdoor BBQ lunch was also great. The formal dinners were set beautifully in the dining room.

From beginning to end, the service was wonderful. They were accommodating to our guests with dietary restrictions, both gluten free and vegetarian. Everything was always ready when we needed it to be. Ample parking. Great location, only a 5–10 minute walk into the town of Blairgowrie, 1.5 hour to Edinburgh and 1.5 hour drive up to the highlands. The bar was well stocked and they were willing to go out and get anything else we needed. They outfitted the kitchen with dinner and late night snacks for those who did not want to go out.

Nicholas, Andrew and Amy were all wonderful hosts. The rooms were cleaned daily and we were given fresh towels. There was ample space for all of our guests and film gear. The house itself had a fun Scottish manor vibe, in fact we were greeted by a suit of armour at the entrance every night. The town of Blairgowrie was adorable and the people were very friendly.”
