

Address & Directions

To get to the Manor, heading away from Blairgowrie toward Dundee on *Coupar Angus Road*, following going straight at the last set of traffic lights out of the town take the first exit on the right. The entrance to driveway is right next to a large new build block of McCarthy Stone flats up a sweeping long private road. If you reach Altamount Park entrance with all the Log cabins you have gone too far and need to return to the previous turning.

Additional parking is found behind the house in the large tarmac area (approx. 25 spaces) plus there is 2-3 spaces in front of the exterior courtyard door.

**** Please do not Park Cars on the Roadway towards the holiday cottages, blocking access. Cars must be parked at the front of the house in the crescent shape, by the Dovecote door or in the tarmacked area at rear of grounds. ****
